

My name is Jamie Van Eps. I have been teaching at CA for 8 years and teaching for 10 years now. I teach 4th grade general education. I love the "family" feeling that our classes have. Because our class sizes are smaller than other schools, we get to know our kids on a more personal level. I graduated from Minnesota State University Moorhead with a degree in Elementary Education and a specialty in Preprimary Education.

I grew up in the area and lived here my whole life. My husband works in the area and owns his own business. We have three children who also attend school in Chokio-Alberta. I have been in the military for 18 years. I have been deployed twice to Kuwait, Iraq, and Afghanistan. Currently, I am an instructor and I teach Construction Supervisor.

When I am not at school or military, I enjoy playing sports and spending time with my kids and family. We enjoy bike rides, walking, playing on the playground, and games. I feel very lucky to be part of the Chokio Alberta area.
