

MEET THE TEACHER

I have been teaching for 12 years officially, and I'm in my 10th year at CA (Math is hard... hence why I teach English). I'm really happy to be teaching in CA. I teach a wide variety of classes at CA including College Speech, 8th grade English, Psychology, Criminology, and so much more. Along with teaching I direct theater for CA, and I am Mrs. Rachel Schott's assistant speech coach.

When I'm not teaching, I'm expanding my education. I have bachelor degrees in English and History as well as a Master's in K-12 Reading Education. I'm currently working on a Master's in Communication and Composition. When I'm not teaching or taking classes, you can find me reading or indulging in a wide variety of cinema. In the summer I always visit my mom and family in Dayton, Ohio.
