August 2021

Dear Parents/Guardians and Students of Chokio-Alberta Public Schools:

I want to welcome you to a new year at Chokio-Alberta Public Schools (C-A). C-A School has many resources and supports to offer our students. Our staff continues to be very motivated and caring and continues to grow in experience and wisdom each year.

We are very happy to welcome some new and some familiar faces to C-A this fall: Brooke Johnson will greet the 3<sup>rd</sup> graders as their new teacher, and Sonja Amundson, a long time para at C-A, is our new full time preschool teacher. We are very excited about the revamped preschool schedule and anxious to see how it will benefit our littlest kiddos as well as their families. In addition to the new teachers, we welcome three new paras, Nikki Daly, Bryana Sanasack and Jennie Lee.

Chokio-Alberta Public School is a very unique setting with its small classes, abundant resources for our students and staff, and many opportunities offered to our students through our agreements with Morris Area and other surrounding schools. There is really no place like C-A! It is as if we are a private school with big school opportunities.

When the 2021-22 school year starts, we plan to return, in many ways, to our 'pre-covid' procedures. However we feel the past year has brought the wisdom of experience in other areas. We will continue with special attention given to cleaning, frequent handwashing, hand sanitizing stations throughout the school and finally, a practice we all have quickly become accustomed to; the availability of laptops/ipads for each K-12 student.

In addition, our website received a makeover this past year with the help of some of our staff and community members. We love our 'new look' and we want to encourage you to navigate there first for any information you may need regarding the school.

We at C-A believe these changes will make our staff and students shine more than ever and will make this next school year 'one for the books'!

In closing, I encourage you to fully embrace the 2021-22 school year. We believe your child receives the best education when you and our staff work as a team. While we endeavor to provide high quality education, it remains a parent's enthusiasm, support, and involvement which truly inspire children to do their best.

Thank you for your commitment to your child's education and I look forward to seeing you soon. Please stop in or call if you have any questions or concerns.

Sincerely,

Pre-K-12 Principal Tate Jerome

# DISTRICT-WIDE INFORMATION

## **ACCIDENTS/INJURIES**

Students are to report any injuries to the main office immediately. Each child's records must contain information to guide school personnel in case of accidents. Our procedure will be to call the child's home first for directions. Should medical attention be immediately necessary, we shall use our own judgment and emergency information provided for what we believe is the best welfare of the child. The ANNUAL STUDENT STATUS FORM (*emergency information card*) sent home with your child/children at the beginning of the school year should be filled out and returned to school immediately.

## **ATTENDANCE AND ABSENCES**

### **ATTENDANCE POLICY**

#### A. Absence

Definition: A student will be considered absent when he/she is missing from school for any day or part of a day. In the elementary, absences are recorded as half days. Half days are determined as (1) the time school starts in the morning to dismissal for lunch, and (2) resumption of classes after noon lunch to dismissal time. The High School records attendance at each class period. If a child is ill, it is better to remain at home than to expose others.

#### B. Excused and Unexcused Absences

The parent or legal guardian is responsible for notifying the school when their student is absent. We ask that the parent notes be more specific as the Truancy Courts will not accept "a student will not be in school" as a valid excuse.

Notification can be by phone (320-324-7131) or by email ('casecretary@chokioalberta.k12.mn.us') and should be provided either before or the day of the absence. If the parent notifies the school and provides one or more of the reasons set forth in school district policy excusing the absence, the student will not be recorded as an unexcused absence. The following reasons shall be sufficient to constitute excused absences:

- 1) Illness. **Doctor's notes are encouraged and may be required as determined by administration.**
- 2) Serious illness in the student's immediate family.
- 3) A death or funeral in the student's immediate family or of a close friend or relative.
- 4) Medical, dental, or orthodontic treatment or a counseling appointment. **Appointment slip from provider is recommended and may be required as determined by administration.**
- 5) Court appearances occasioned by family or personal action. **Court appearance slip from court clerk is recommended and may be required as determined by administration.**
- 6) Religious instruction not to exceed three hours in any week.
- 7) Physical emergency conditions such as fire, flood, storm, etc.
- 8) Official school field trip or other school-sponsored outing.
- 9) **A family vacation pre-approved by school administration and pre-vacation assignment form filled out by all student's teachers at least 3 days prior to trip.**
- 10) Removal of a student pursuant to a suspension. Suspensions are to be handled as excused absences and students will be permitted to complete make-up work.
- 11) Family emergencies.
- 12) Family Home Needs (work, etc.) CA understands families need students to help at home and excuse the student as long as student is keeping up with school requirements and absentees do not become excessive. **Administration reserves the right to count Family Home Needs as unexcused if determined excessive.**
- 13) Active duty in any military branch of the United States.
- 14) A student's condition that requires ongoing treatment for a mental health diagnosis. **Appointment slip or documentation from provider is recommended and may be required as determined by administration.**

Parents do not need to notify the school when a student is absent due to participation in a school-sponsored activity.

**Excessive absences or invalid excuses as determined by administration may be counted as unexcused absences.**

C. **Consequences for Unexcused Absences**

**Chokio/Alberta School District understands how important student attendance is for success in school and life. It is our goal to work with the students and parents/guardians to ensure student attendance is a priority. We will communicate by letter, e-mail, and phone to let the student and parent/guardian know of our concerns about unexcused student absences. If any student accumulates over seven (7) unexcused absences in any class period or school district pre-determined time frame (CA Elementary School half day) in a school year the student will be considered a truant. CA School District Administration will file a Truancy Order against the student or a Child Protection Order against the parent with the county the student lives in.**

D. **Class Participation**

All high school teachers will be including class participation in their grading system. The system from teacher to teacher will be similar, however may be modified due to the differences in curriculum.

E. **Make-Up Work**

Students are responsible to their teachers for making up missed work. Make-up work not turned in within the timeline determined by the classroom teacher may be given a zero. Teachers may also give a student a zero for an absence that is determined as unexcused. The recommended timeline for completing and turning in make-up work will be 2 days for each day absent.

F. **Permit to Leave Building**

Students who must leave the school building during school hours shall obtain a permit to leave the building from the principal's office. Students will be excused only upon parental request. Students returning to school after leaving should report to the office when they return to secure a pass to class.

G. **Tardies**

Tardiness is defined as being late for a class by no more than 15 minutes. Being late by more than 15 minutes is considered an absence. If the student does not have a pass from the office or another teacher the tardy will be considered unexcused. The student will be informed by the teacher when given an unexcused tardy. **Two (2) Unexcused Tardies also equal one (1) Unexcused Absence and will count towards truancy.** The student will be held accountable for unexcused tardies in the following manner:

1. First unexcused tardy of each quarter will result in a warning from the teacher or the office staff.
2. The second unexcused tardy of each quarter will result in one noon hour detention in the office.
3. All subsequent unexcused tardies of each quarter will result in one-hour detention to be served before or after school hours, or at the principal's discretion.

H. **Absence Affecting Activities**

Students are required to be in attendance for the half day to participate, practice, or be in a public performance of a school activity on that day. Students must report to school no later than 11:30 am to participate in a school activity. This requirement will be waived for students who have received an excused, prearranged absence from school. Students may not participate in extra-curricular events at MACA if student does not attend school on the day of the event.

Exceptions to this policy may be granted on an individual basis for students with disabilities, based on consultation with the activities director, coach, parents, and principal.

Close cooperation between the home and the school is necessary in order to encourage regular attendance of the students.

## **Law for 18-Year-Old Students**

The Minnesota State Statute 120A.20, Sub. 1 reads as follows: "Notwithstanding the provisions of any law to the contrary, the conduct of all students under 21 years of age attending a public secondary school is governed by a single set of reasonable rules and regulations promulgated by the school board." This mandates that all students regardless of age must adhere to the policies of the school. For example: Independent School District #771 requires that students 18 years of age or older must provide parental verification for absences.

## **CONDUCT**

Courtesy - Manners are the outward expression of the spirit within. Good manners show consideration for others.

1. Students are expected to exhibit acceptable behavior at school and all school functions.
2. If one treats others with consideration and respect, others will generally reciprocate.
3. Loud and boisterous behavior is not acceptable.
4. Being a good audience is part of social skills. Unison clapping, booing, whistling, etc. are not acceptable at school functions.
5. Disrespect, insubordination, and defiance of authority will not be tolerated. Detention, revocations of privileges, suspension, or expulsion are in order in such cases.
6. Vandalism of public or private property is illegal and will be dealt with accordingly.
7. Any corrective measures necessary will be handled at the discretion of the faculty and administration.

## **DISCIPLINE POLICY**

**PHILOSOPHY OF DISCIPLINE** – It is the philosophy of this school district that quality education happens most consistently in an environment where good discipline practices are consistently followed. It will be a goal of this school to help develop self-discipline in every student in order that they may become responsible adult citizens. In accordance with this goal, we will use restorative principles to help students understand that the choices they make may result in negative consequences for which they will be expected to make restitution to those who have been affected by their actions.

### **I. Rules of Conduct**

Disciplinary action may be taken against students for any behavior, which is disruptive of good order or violates the rights of others. The following acts are unacceptable behavior subject to disciplinary action in the school district:

#### **B. Damage to School or Personal Property**

Some examples of weapons are guns (including pellet guns, look-a-like guns and non-functioning guns that could be used to threaten others), knives, clubs, metal knuckles, (used in a threatening manner) numchucks, throwing stars, explosives, stun guns, and ammunition. A student who finds a weapon on the way to school or in the school building and takes the weapon immediately to the principal’s office shall not be considered in possession of a weapon.

## **DRESS CODE**

The Board of Education expects student dress and grooming to be neat, clean and in good taste so that each student may share in promoting a positive, healthy and safe atmosphere within the school district. The mode of dress should reflect a wholesome attitude toward school without creating offense, distraction or disruption to the school's learning environment. While it is not possible to define or assess by written policy every possible attire or grooming issue, the expectation of this policy is clear: The administration, or his/her designee, is empowered to require such modifications to the appearance or attire so that the appearance or attire no longer disrupts the educational process. If a student is judged to be in non-compliance with this policy, such behavior is deemed inappropriate and subject to disciplinary action.

First Offense: Administration (or Designee)/Student conference and changing attire

Subsequent Offenses: Detention, In-School Suspension, or Out-of-School Suspension

Following are some general guidelines for student appearance and attire; these guidelines include but are not limited to:

1. All students are to wear appropriate footwear except as approved for a specific school activity.
2. Caps, hats, or bandanas will not be worn in the school building.
3. Clothing and accessories such as backpacks, jewelry or notebooks that illustrate or represent with words or symbols the condoning of alcohol, tobacco or drug use, sexual representations or innuendos, violence, profanity or other inflammatory issues are prohibited.
4. Trousers, slacks, shorts, and skirts are to be worn at the waist and securely fastened. Shorts and skirts must be of suitable length for the learning environment. Jeans may not have any holes, tears, or shredded fabric in the areas typically covered by appropriate shorts.
5. Students are not permitted to wear clothing which exposes too much of the body or any undergarments due to see-through properties of the garment or inadequate coverage of the body. This includes, but is not limited to, sleeveless shirts, low-cut shirts, or shirts which expose the mid region of the body.
6. Students are not permitted to wear clothing that allows the inappropriate revealing of the anatomy due to the tight fit and/or nature of the material of the garment.

7. Winter coats, backpacks, or purses will not be allowed in classrooms.
8. Dangling chains, cables, straps, and any spiked attire are safety hazards and are not allowed.

### **DRESS FOR WEATHER**

Parents/students should be aware of weather conditions and dress or carry along appropriate clothing.

### **EDUCATIONAL FIELD TRIPS**

All Trips sponsored by the school are to be educational in nature. Educational field trips are to be no longer than one day. **Parents will be asked to complete a Field Trip Permission Form at the beginning of the school year which will be used for all trips throughout the year.** Overnight class trips are not permitted, except by school board approval. Trips are considered school functions; so appropriate dress and behavior are required. Visits to colleges or vocational schools should be coordinated with the counselor to make the trips productive. Advisors have the right to search bags etc. before the group departs if there are any suspicions of alcohol etc.

### **HEALTH CHECK-UPS**

We recommend that your child have a thorough physical examination and dental check-up prior to enrollment in school. The school will provide the necessary forms. The check-ups should be done in the summer before the child begins school. If there are any health conditions that prevent your child from participating in certain activities, the doctor should indicate that on the form. A health record is kept for each child. Any disease or immunization that the child has had during the summer or during the school year should be reported to the school nurse so that information can be recorded on the child's health card. Vision and hearing screening tests are administered on a regular basis. Scoliosis screening is held each year.

### **HEALTH ROOM**

Any student who may be ill or injured may use the health room. The health room is staffed with a service aide, knowledgeable in first aide. First aide, as defined by the American Red Cross, is the immediate and temporary care given in case of accidents or sudden illness before the services of a physician are secured. First-aid procedures do not include any form of medical treatment.

### **ILLNESS AT SCHOOL**

When a child becomes ill at school, or has a fever of 99 degrees or more, the parents will be contacted at home or work. If parents cannot be reached, the relative or neighbor designated on the *Emergency Information Card* will be notified. *If you have a change in telephone number or emergency number, please notify the school; it will be kept confidential if requested.*

### **IMMUNIZATIONS REQUIREMENTS**

Minnesota State Law requires that children entering kindergarten be immunized for diphtheria-pertussis-tetanus (DPT), polio, measles-mumps-rubella (MMR), hepatitis B and varicella. The law now requires five doses of DPT, four doses of polio, two doses of MMR, three doses of hepatitis B, and two doses of varicella before children enter kindergarten. Four doses of DPT, and three doses of polio, are sufficient if the final doses of each were given after the fourth birthday. The MMR needs to be given after twelve months of age; fifteen months is the recommended age. **The school needs the complete dates (month, day, and year) of all immunizations before the child starts school.** TD booster (Tetanus and Diphtheria-the pertussis is omitted after age seven) should be given every ten years through life. These boosters will be offered in school in later grades as a convenience for parents. Evidence of a TD Booster given at or after 11 years of age is required.

**INSURANCE PLANS**

**Accident Insurance** – There will be a voluntary insurance plan offered to students through the school. Forms are available in the office for those who are interested. Participation is voluntary. The school district does not carry student accident insurance.

**SCHOOL EXCLUSION PERIODS FOR INFECTIOUS DISEASES**

<u>DISEASE</u>	<u>EXCLUSION PERIOD</u>
CHICKEN POX (Varicella)	Until all the blisters have dried into scabs and no new blisters or sores have started within the last 24 hours; usually by day 6 after the rash began. Chicken Pox is still a common disease. It takes 10-14 days after receiving vaccines to develop immunity, vaccine failure occasionally occurs, and the incubation period is 10-21 days. Therefore, exclude children who appear to have chicken pox regardless of whether or not they have received varicella vaccine, or develop blisters within 10-21 days after vaccination. Exposed children without symptoms do not need to stay home unless chicken pox develops.
COLDS (Respiratory Infection)	Until fever is gone, and the child is well enough to participate in routine activities.
STREP THROAT (Streptococcal Infection)	Until 12 hours after antibiotic treatment begins and children are without fever. Children without symptoms, regardless of a positive culture do not need to be excluded from school.
PINK EYE	Only if a child has a fever or is not healthy enough to participate in routine activities. Antibiotics or a note from a health care provider are <u>not required</u> to return to childcare or school.
IMPETIGO	Until treated with antibiotics for 24 hours and sores are drying or improving.
LICE	Until first treatment is completed and no live lice are seen. (Nits are NOT considered live lice.)
RINGWORM	For ringworm of the scalp, exclusion until 24 hours after treatment begins. For ringworm of the body, exclusion only until treatment has begun.
SCABIES	Until 24 hours after treatment begins.

**INTERNET ACCEPTABLE POLICY – (yearly signatures required)**

I. PURPOSE

The purpose of this policy is to set forth policies and guidelines for access to the school district computer system and acceptable use of the Internet.

II. GENERAL STATEMENT OF POLICY

In making decisions regarding student access to the school district computer system and to the Internet, the school district considers its own stated educational mission, goals and

objectives. Electronic information research skills are now fundamental to preparation of citizens and future employees. Access to the school district computer system and to the Internet enables students to explore thousands of libraries, databases, bulletin boards, and other resources while exchanging messages with people around the world. The school district expects that faculty will blend thoughtful use of the school district computer system and the Internet throughout the curriculum and will provide guidance and instruction to students in their use.

### III. LIMITED EDUCATIONAL PURPOSE

The school district is providing students and employees with access to the school district's computer system, which includes Internet access. The purpose of the system is not merely to provide students and employee with general access to the Internet. The school district system has a limited educational purpose, which includes use of the system for classroom activities, professional or career development, and limited high quality, self-discovery activities. Users are expected to use Internet access through the district system for further educational and personal goals consistent with the mission of the school district and school policies. Uses that might be acceptable on a user's private personal account or another system may not be acceptable on this limited purpose network.

### IV. USE OF SYSTEM IS A PRIVILEGE

The use of the school district system and access to use of the Internet is a privilege, not a right. Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the school district system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including suspension, expulsion, exclusion or termination of employment; or civil or criminal liability under applicable laws.

### V. UNACCEPTABLE USE

The following uses of the school district system and Internet resources or accounts are considered unacceptable:

1. Users will not use the school district system to access, review, upload, download, store, print, post, or distribute pornographic, obscene or sexually explicit material.
2. Users will not use the school district system to transmit or receive obscene, abusive, profane, lewd, vulgar, rude, inflammatory, threatening, disrespectful, or sexually explicit language.
3. Users will not use the school district system to access, review, upload, download, store, print, post, or distribute materials that use language or images that are inappropriate in the educational setting or disruptive to the educational process and will not post information or materials that could cause damage or pose a danger of disruption.
4. Users will not use the school district system to access, review, upload, download, store, print, post, or distribute materials that use language or images that advocate violence or discrimination toward other people (hate literature), or that may constitute harassment or discrimination.
5. Users will not use the school district system to knowingly or recklessly post false or defamatory information about a person or organization, or to harass another person, or to engage in personal attacks, including prejudicial or discriminatory attacks.
6. Users will not use the school district system to vandalize, damage or disable the property of another person or organization, will not make deliberate attempt to degrade or disrupt equipment, software or system performance by spreading computer viruses or by any other means, will not tamper with, modify or change the

school district system's security, and will not use the school district system in such a way as to disrupt the use of the system by other users.

#### IX. LIMITATION ON SCHOOL DISTRICT LIABILITY

Use of the school district system is at the user's own risk. The system is provided on an "as is, as available" basis. The school district will not be responsible for any damage users may suffer, including, but not limited to, loss, damage or unavailability of data stored on school district diskettes, tapes, hard drives or servers, or for delays or changes in or interruptions of service or mis-deliveries or non-deliveries of information or materials, regardless of the cause. The school district is not responsible for the accuracy or quality of any advice or information obtained through or stored on the school district system. The school district will not be responsible for financial obligations arising through unauthorized use of the school district system or the Internet.

#### X. USER NOTIFICATION

- A. All users shall be notified of the school district policies relating to Internet use.
- B. This notification shall include the following:
  - 1. Notification that Internet use is subject to compliance with school district policies.
- C. Disclaimers limiting the school district's liability relative to:
  - 1. Information stored on school district diskettes, hard drives or servers.
  - 2. Information retrieved through school district computers, networks or online resources.
  - 3. Personal property used to access school district computers, networks or online resources.
  - 4. Unauthorized financial obligations resulting from use of school district resources/accounts to access the Internet.
- D. A description of the privacy rights and limitations of school sponsored/managed Internet accounts.
- E. Notification that, even though the school district may use technical means to limit student Internet access, these limits do not provide a foolproof means for enforcing the provisions of this acceptable use policy.
- F. Notification that goods and services can be purchased over the Internet that could potentially result in unwanted financial obligations and that any financial obligation incurred by a student through the Internet is the sole responsibility of the student or the student's parents.
- G. Notification that should the user violates the school district's acceptable use policy, the student's access privileges may be revoked, school disciplinary action may be taken and/or appropriate legal action may be taken.
- H. Notifications that all provisions of the acceptable use policy are subordinate to local, state and federal law.

#### XI. PARENT RESPONSIBILITY; NOTIFICATION OF STUDENT INTERNET USE

- A. Outside of school, parents bear responsibility for the same guidance of Internet use as they exercise with information sources such as television, telephones, radio, movies and other possibly offensive media. Parents are responsible for monitoring their student's use of the school district system and of the Internet if the student is accessing the school district system from home or a remote location.
- B. Parents will be notified that their students will be using school district resources/accounts to access the Internet and that the school district will provide parents the option to request alternative activities not requiring Internet access. This notification should include:
  - 1. A copy of the user notification form provided to the student user.
  - 2. A description of parent/guardian responsibilities.

3. A notification that the parents have the option to request alternative educational activities not requiring Internet access and the material to exercise that option.
4. A statement that the Internet Use Agreement must be signed by the user, the parent or guardian, and the supervising teacher prior to use by the student.
5. A statement that the school district's acceptable use policy is available for parental review.

## XII. IMPLEMENTATION; POLICY REVIEW

- A. The school district administration may develop appropriate guidelines and procedures necessary to implement this policy for submission to the school board for approval. Upon approval by the school board, such guidelines and procedures shall be an addendum to this policy.
- B. The Administration shall revise the student and parent notifications, if necessary, to reflect the adoption of these guidelines and procedures.

## **LOCKERS**

All students (4-12) are assigned lockers for personal belongings and for physical education and athletic equipment. Students are encouraged to provide padlocks for their lockers in Phy. Ed. The school district cannot be responsible for items lost or removed from lockers. (Locking them will discourage theft.) A spare key or combination will be turned in to the office.

## **MEDICATION POLICY**

1. Medication will be given in school only when a student's prescription requires medicating four times a day. Medications requiring three doses per day should be given at home (morning, after school and bed time).
2. A Medication Request Form will be filled out and signed **by a parent, and doctor**. This form will give child's name, grade, diagnosis, name of medication, dosage routine, time of day, and number of days to be given. It will also include special instructions and/or side effects to be noted. **RECEIPT OF THIS FORM IS REQUIRED BEFORE MEDICATION CAN BE ADMINISTERED.**
3. The Medication Request Forms will be sent to each family at the beginning of each school year in the Information Bulletin (the form is in the back of this bulletin). A supply of these forms will be kept at the school office.
4. Medication will be stored in a locked cabinet. For controlled substances: the amount in the container will be documented on receiving, returning, and after each dose is given.
5. MEDICATION MUST BE RECEIVED IN THE ORIGINAL, PROPERLY LABELED CONTAINER FROM THE PHARMACY.
6. Use of over-the-counter medications will be discouraged during school hours. However, these may be given with signed, written permission and instructions from the parent. The medication must be in the original container.
7. The initial dose of a prescription medication should be administered at home. This is to ensure that the student is tolerating the medication before attending school.
8. The principals or their designee will give medication.
9. Medication will be dispensed with careful attention to right person, right medication, right dose, right time, right route, and right documentation.
10. Medication will be returned or destroyed at the end of the school year or when the medication is discontinued.
11. The school will maintain a list of students on medication, noting the dosage, time, purpose and side effects. This list will be compiled at the beginning of each school year and updated as necessary.
12. Students may carry own personal asthmatic inhaler.
13. Medication administered after school is dismissed will be discouraged.

## **PLEDGE OF ALLEGIANCE**

In both the high school and the elementary, students will recite the Pledge of Allegiance on a regular basis in their individual classrooms. Anyone who does not wish to participate in reciting the pledge of allegiance for any personal reasons may elect not to do so. Students and school personnel must respect another person's right to make that choice.

## **SPECIAL EDUCATION SERVICES**

It is the policy of the Chokio-Alberta Public School District to provide a free and appropriate public education for all children with disabilities within its legal jurisdiction, (ages 0-21), regardless of type or severity of the disabling condition. The districts special education system in cooperation with the Midwest Special Education Cooperative provides a Total Special Education System for the district. This system allows for annual review and evaluation.

Program areas include: Speech/Language Impaired, Mildly Mentally Disabled, Moderately and Severely/Profoundly Mentally Disabled, Physically Disabled, Hearing Impaired, Visually Impaired, Specific Learning Disability, Emotional/Behavioral, Other Health Impaired, Autistic, and Early Childhood Special Education.

If you have questions concerning special education programs, please contact the Superintendent or Todd Travis, Director of Special Education, Midwest Special Education Cooperative, 203 South Columbia Avenue Morris, MN 56267, (320) 589-4248.

## **TELEPHONE, CELL PHONE, HEADSETS, ELECTRONICS, BEEPERS, NUISANCE ITEMS**

1. Outgoing telephone calls by students are to be made during lunch break and only with written permission of the teacher. Students will **not** be called out of class to the telephone unless it is an emergency. Phone messages will be delivered to students.
2. Personal electronic equipment and nuisance items (radios, headsets, cellular phones, hacky sacks, etc.) are distractions in the educational setting. Students should not be in possession of these items while classes are in session. Electronic items must be turned off and be out of sight while classes are in session. **The classroom teacher has control as to how and when devices are used within their classroom.** Misuse of any of these items may result in a staff member requesting the item(s) until school is over. Failure to give the item to a staff member may result in disciplinary action. Persistent and continued use of these items after being warned may result in detention, suspension and/or loss of the item. As with all valuable items, we strongly suggest that they be left at home. The school assumes no responsibility for the loss of such items. Items confiscated by school personnel may be picked up by a parent/guardian in the school office.

## **BYOD (Bring Your Own Device) User Agreement/Policy – (yearly signatures required)**

### **Purpose:**

Many students' lives today are filled with media that gives them mobile access to information and resources 24/7. Outside school, students are free to pursue their interest in their own way and at their own pace. The opportunities are limitless, borderless, and instantaneous. In an effort to put students at the center and empower them to take control of their own learning, Chokio-Alberta Public School will allow students to use personal technology devices. Students wishing to participate must follow the responsibilities stated in the Acceptable Use Policy as well as the following guidelines.

### **Device Types:**

For the purpose of this program, the word "device" means a privately owned wireless and/or portable electronic piece of equipment that includes laptops, netbooks, tablets/slates, iPod Touches, cell and smart phones. No gaming devices are allowed (to include: Nintendo DS, PlayStation Portable PSP, etc.)

If you are uncertain whether or not your device meets the criteria to be used for Bring Your Own Device (BYOD), please see your building technology administrator.

### **Guidelines:**

1. Any student who wishes to use a personally owned electronic device within Chokio-Alberta Public School must:
  - Read and sign with parent/guardian
  - Submit signed agreement to the school office
1. The student takes full responsibility for his or her device and keeps it with himself or herself at all times or locked securely in their locker. The school is not responsible for the security of the device.
2. The student is responsible for the proper care of his or her personal device, including any costs of repair, replacement or any modifications needed to use the device at school.
3. The school reserves the right to inspect a student's personal device if there is reason to believe that the student has violated ISD771 School Board policies, administrative procedures, school rules or has engaged in other misconduct while using their personal device.
4. Violations of any ISD771 School Board policies, administrative procedures or school rules involving a student's personally owned device may result in the loss of use of the device in school and/or disciplinary action.
5. The student must comply with a staff request to shut down the device or put the screen to sleep.
6. The student will not be allowed to charge their device while at school.
7. The student may not use the device to record, transmit or post photos or video of a person or persons on campus. Nor can any images or video recorded at school be transmitted or posted at any time without the express permission of a teacher.
8. During school hours the student should only use their device to access classroom related activities. Accessing classroom related activities on a mobile device looks like:
  - The device is used only for academic purposes
  - The device is on the desk and visible to everyone in the classroom
  - The device is only used when the teacher prompts students
  - When accessing audio content, earbuds are used
  - The device is NOT under the desk or hidden while in use
9. The student will use the wireless network while in school. Use of 3G & 4G wireless connections is not allowed.

### **TOBACCO FREE POLICY**

The Board of Education has designated all buildings, grounds, and school-owned vehicles in I.S.D. #771 as Smoke/Tobacco Free. A complete copy of this policy will be posted on the district's website.

### **USE OF CARS**

Since the school district provides transportation for students, it is ordinarily not necessary for students to drive cars to school. They are not permitted to drive cars or ride in them during the school day or at noon hour. Any exceptions to the above must have the prearranged approval of the principal.

There is special concern about the students who may ride to or from school in another student's car when the parent assumes that they are riding on a school bus. **School legal counsel has advised that the driver and owner of the car are responsible for any injury or accident involving the occupants or their cars.**

# SCHOOL BUS SAFETY RULES

## **RIDING THE BUS IS A PRIVILEGE**

Riding the school bus is a privilege, not a right. Students are expected to follow the same behavioral standards while riding school buses as are expected on school property or at school activities, functions, or events. ## **ELEMENTARY INFORMATION**

### **ELEMENTARY SCHOOL DAY**

Elementary students are asked not to be at school before 8:00 a.m. Breakfast serving begins at 8:00 a.m. Parents are urged not to allow their children to come to school before this time because no supervision is available for them on the playground. Students will have the option of being in their classroom starting at 8:15 a.m. if prior arrangements are made with their teacher. The actual school day begins at 8:20 a.m.

### **LABEL ALL CLOTHING – LOST AND FOUND**

**All clothing should be labeled so that it can be easily identified in the event of loss or mix-up.** Due to the accumulation of unclaimed clothing, we would appreciate it if you would take the time to label your child(ren)'s clothing. Since many children have the same kind of boots, tennis shoes, etc., it is especially important that these be marked in some way.

A place for lost and found items is located near the office. If something belonging to your child is missing, please check with the office personnel. Many articles that accumulate during the year are never claimed. The lost and found boxes are circulated through the classrooms once a month and the remaining items are donated to Goodwill at the end of the year.

### **NOON RECESS**

It will be our policy to ask all students to go outside if the temperature is 0 degrees Fahrenheit or higher. This policy will be in effect before school, during the noon period, and during physical education class time's outdoors. Wind chill and other weather related factors might result in changes in this general plan. Please dress your children appropriately for the cold weather months. You may want to have them keep a sweater or jacket at school during the cold weather months. Children should be encouraged to wear boots when the ground is wet or snow-covered and warm clothing on cold days.

## STATEMENT OF ACADEMIC POLICY

It is the policy of the Chokio-Alberta School District to provide an education for its students that meets and exceeds all requirements of the Minnesota Department of Education, which allows for students to enter the work field upon graduation if they so desire, and which meets and exceeds the requirements or admission to post-high school educational institutions. In order to implement this policy, it is necessary that there be coordination among the educators within the elementary school and the high school, and there must be cooperation among students, parents and educators within the district. There must also be certain rules, regulations and educational criteria established and enforced. Below are listed several academic statements which together help in the clarification and understanding of academic goals of the district.

### COLLEGE LEVEL COURSE/ADMISSION REQUIREMENTS

Students who plan to enroll in college level courses must meet the following requirements. The final decision is up to the discretion of the administration and/or the college registrar.

- The student must be at least 16 and a Junior or Senior

- Approval from the school counselor and principal
- A recommendation from the core course teacher

**Students must maintain a C- or above in the math/LA college courses for the 1<sup>st</sup> semester to register for the 2<sup>nd</sup> semester math/LA college courses.**

### LETTERS OF CONCERN, FAILING, PROBATION, and SUSPENSION

Because it is the philosophy of the school board, administration, and teaching staff that academic areas have primary importance in the education of our students, and communication is vital. The following is the policy of District 771 for the students in 7-12:

1. **At any time** a teacher can notify the student and the parents/guardians communicating concern or reinforcing proficiency in the way of a **“Letter of Concern”** or **“Proficiency Report”**. The **“Letter of Concern”** or **“Proficiency Report”** goes through the Principal’s office and then is mailed to the parents/guardians.
2. **If or when a student falls below passing** in any graded subject a **“Letter of Failing Grades”** will be sent to the Principal’s office and then is mailed to the parents/guardians communicating the student’s status. The student will have 10 school days to raise his or her grade to passing or the student will be suspended for 10 days from all extra-curricular events and special privileges such as: Work Release, YES program, etc. After this 10 school day period, if he/she is still not eligible, the student will be suspended from the activity for successive 10 school day periods until he/she achieves a passing grade.

### **DROPPING AND ADDING CLASSES**

Students will have an opportunity to change class schedules during the first five (5) days of each semester. All “Drop/Add” forms must be processed during that time. Such changes require the approval of a parent/guardian and the high school principal, with consultation with the teachers of affected classes.

### **GRADING AND REPORT CARDS**

Grades for each student shall be determined by the teacher on the basis of fair evaluation of the performance of each student. Report cards will be issued following the end of each reporting period. Students and parents are encouraged to examine the report cards carefully and to contact the teacher(s) and/or the school principal if there are questions or concerns about the grades.

### **GRADUATION/COMMENCEMENT**

Students who meet all graduation requirements established by the Minnesota Department of Education and the Chokio-Alberta School Board shall receive a high School Diploma recognizing their accomplishment and will participate in Commencement Exercises. Students who maintain regular attendance during the 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grades but who fail to meet graduation requirements established by the Minnesota Department of Education and the Chokio-Alberta School Board may choose to continue their high school education in order to meet all requirements, or they may receive a Certificate of Attendance. Any student whose lack of progress during the 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grades indicates at the end of the first semester of the 12<sup>th</sup> grade that it is impossible to meet graduation requirements established by the Minnesota Department of Education and the Chokio-Alberta School Board may choose to participate in Commencement Exercises but with designation of his/her receipt of a Certificate of Attendance rather than a Diploma, or he/she may choose nonparticipation in Commencement. The student and parents shall make this decision and the decision will be submitted in writing to the high school principal. Failure to submit such a written statement shall be interpreted as a decision against participation in Commencement.

### **HIGH SCHOOL CREDIT**

Each student in grades 9-12 must successfully complete all required classes and meet all credit requirements in grades 9-12 in order to graduate from high school. High school credit will be earned for each class successfully completed by the student. Any student enrolled in a college or university course in accordance with Minnesota Statute 123-3514 as amended shall receive high school credit upon presentation to the high school principal of verification of successful completion of such a course. 24 credits will be required to graduate.

Students who enroll in and successfully complete other course work outside the normal high school offerings may apply for credit through a process established by the school administration. Such a process will consist of a written application for credit, including statement of course objectives, objectives achieved, description of course format, hours of class and related work, and evaluation of learning by the student. Application will be submitted to the high school principal, two high school teachers, one school board member, and one student council representative. Any negative decision by the committee may be appealed to the school board.

### **HONOR ROLL**

Honor roll status will be based on a student's grade point average (G.P.A) for the marking Period.

A = 4.000	C = 2.000
A- = 3.670	C- = 1.670
B+ = 3.330	D+ = 1.330
B = 3.000	D = 1.000
B- = 2.670	D- = .670
C+ = 2.330	P = Pass/2.00

A student with a 3.670 G.P.A. (or better) qualifies for the "A" honor Roll. A student with a 3.000 G.P.A. (or better) qualifies for the "B" Honor Roll. A student who receives a "D" (in any form) in any subject is ineligible for the Honor Roll. Students who have incompletes will not be eligible for publication of that quarter's honor roll.

Students are only allowed to take 1 pass/fail course per semester. All P's on the transcript will be coded as a 2.0 grade point average on the official transcript. Students who elect to take summer school for credit recovery will be taking courses on a pass/fail basis.

### **HONOR STUDENT/GRADUATING WITH HONORS**

Honor students or students "graduating with honors" will be so designated at commencement exercises and on the permanent record if the grade point average during the 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> grades **and at the end of third quarter of the 12<sup>th</sup> grade** is an overall 3.300 or higher.

### **INCOMPLETES**

All incompletes must be made up within ten (10) days of the end of the grading period. If the work has not been made up within ten (10) days of the grading period, the grade will become an F. Exceptions to this rule must be approved in writing with the principal and instructor's signatures. Students who have incompletes will not be eligible for publication of that quarter's honor roll.

## **WITHDRAWAL FROM CLASS**

A high school student who is absent from classes for an extended period of time (20 school days or more) due to illness may withdraw from a class without penalty upon approval by the high school principal and the student's parents/guardians. This shall apply **only** to a class that is not required for graduation and when in the judgment of the principal the continuation in the class might jeopardize successful completion of required courses.

**MOOD-ALTERING CHEMICALS/SEXUAL HARASSMENT & EXTRA-CURRICULAR'S POLICY**  
**GENERAL POLICY – MOOD ALTERING CHEMICALS**

The Minnesota State High School League recognizes the use of mood-altering chemicals as a significant health problem for many adolescents, resulting in negative effects on behavior, learning and the total development of each individual. The misuse and abuse of mood-altering chemicals for some adolescents affects extra-curricular participation and development of related skills. Others are affected by the misuse and abuse by family, team members, or other significant persons in their lives. The close contact in MSHSL activities of advisors and coaches provides them with a unique opportunity to observe, confront, and assist young people. The MSHSL, therefore, supports education and awareness training in adolescent chemical use problems, including the symptomatology of chemical dependency and special issues affecting League activities for administrators, athletic directors, coaches, advisors, participants and their families.

**Bylaw – Mood Altering Chemicals (under Mood Altering Policy)**

During the calendar year or during the season of practice, play or rehearsal, regardless of the quantity, a student shall not use or possess a beverage containing alcohol or use or possess tobacco; or use or consume, have in possession, buy, sell, or give away marijuana or any substance defined by law as a drug. It is not a violation for a student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor.

**SEXUAL HARASSMENT POLICY**

**General Statement of Policy**

Sexual harassment is a form of gender discrimination, which violates Section 703 of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000et seq., and MN Stat. 363.01-14, the Minnesota Human Rights Act. The complete policy is on file in the Superintendent's office.

### **GENERAL INFORMATION FOR PARENTS AND GUARDIANS INDOOR AIR QUALITY NOTIFICATION**

The Chokio-Alberta School District advocates a healthy school environment in which the surroundings contribute to a conducive learning environment for students, and productivity for teachers and staff. All school occupants should have a sense of comfort, health and well-being. To accomplish this goal, the district has taken on the task of actively managing and improving its indoor air quality (IAQ). This includes an IAQ Management Plan using guidelines provided by the Minnesota Department of Education, and the "Tools for Schools" document developed by the U.S. EPA with The American Lung Association. Rob Blom has been designated as the IAP Coordinator for the Chokio-Alberta School District. He has been trained and certified as an IAQ Coordinator by the Minnesota Department of Children, Families and Learning. If you have questions or concerns about the Indoor Air Quality in the Chokio-Alberta School District, or if you would like to review the district IAQ Management Plan, or if you would like materials to help you evaluate your home, please contact Rob Blom (320-324-7131) at the Chokio-Alberta School District office in Chokio, Monday through Friday between the hours of 8:00 a.m. and 3:00 p.m.

### **NOTICE CONCERNING USE OF PEST CONTROL MATERIALS**

A Minnesota state law went into effect in the year 2000 that requires school to inform parents and guardians if they apply certain pesticides on school property. Specifically, this law requires schools that apply these pesticides to maintain an estimated schedule of pesticides applications and to make the schedule available to parents and guardians for review or copying at each school office. State law also requires that you be told that the long-term health effects on children from the application of such pesticides or the class of chemicals to which they belong may not be fully understood. If you would like to be notified prior to pesticides applications made on days other than those specified in the estimated schedule (excluding emergency applications), please contact the Superintendent's Office at 320-324-7131.

### **ANNUAL ASBESTOS NOTIFICATION**

Our school buildings have been inspected for asbestos under the Asbestos Hazard Emergency Response Act of 1986 (AHERA). Some asbestos containing building materials (ACBM) have been submitted to the Minnesota Department of Education (MDE), and the report is available for your inspection in the Superintendent's office in Chokio.

The person designated as Asbestos Program Manager for our school is Dr. David Baukol, Superintendent, 320-324-7131.

Problem areas in these buildings are outlined in the Management Plan available in the Superintendent's Office. Anyone interested in reviewing the information can contact him. Re-inspection takes place every July and December. In addition, a certified inspector will re-inspect the schools every three years.

We are pleased to report that all asbestos-containing areas, which were confined to tunnel areas in each building, had all asbestos-containing materials removed during the summer of 1994 with the financial assistance under the Asbestos Hazard Emergency Response Act. Any remaining asbestos containing areas will be kept under surveillance for change or damage.

This public notice is required by the Minnesota Department of Education.

# Chokio-Alberta Public Schools

Dear Parent/Guardian:

Our school provides healthy meals each day. Breakfast costs \$1.15 and lunch costs \$2.50/elementary and \$2.85/high school. This year, 2021-22, meals will again be free to all students as a result of a benefit program provided by the State of Minnesota. We ask that you please consider completing the application for meal benefits as explained below.

Our school is eligible to receive additional state and federal funds based on the number and/or percentage of students enrolled who reside in households that meet established federal income guidelines. These data are reported to the Minnesota Department of Education based on applications provided by each household. The *Alternate Application for Educational Benefits* and instructions on how to complete it are attached. A new application must be submitted each year. Your application also helps our school qualify for education funds and discounts.

Families now have the option of electronic filing. Online applications can be found at [www.lunchapplication.com](http://www.lunchapplication.com). Follow prompts on the How to Complete the Application for Educational Benefits similar to the attached form and you will be notified by mail of the outcome. You will need to include your child(ren)'s Student ID number. Please feel free to call our office if you have any questions. Ph: 324-7131

**Automatic Eligibility:** Households with children participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster children automatically meet the federal income guidelines and do not need to report household income. Foster children who are the legal responsibility of a foster care agency or court are eligible for free meals regardless of household income.

Households that include non-U.S. citizens may be eligible to generate additional revenue for our school and should complete the *Alternate Application for Educational Benefits*.

**Household Members:** Include yourself and all other people living in the household, related or not (such as grandparents, other relatives or friends). Include a household member who is temporarily away, such as a college student.

**Variable Income:** List the amount that you normally get. If you normally get overtime, include it, but not if you get it only sometimes.

Information you provide on the form, and your child's income status will be protected as private data. See the back page of the *Alternate Application for Educational Benefits* for more information about how the information is used.

**Verification:** The information may be checked and we may also ask you to send written proof. If you have other questions or need help, call [phone number].

Sincerely,

If you have other questions or need help, call 320-324-7131.

Sincerely,

Tate Jerome

### Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

### Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

### Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- **Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- **Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- **Adult income.** Report the names of adult household members and income earned in this section.
  - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
  - **Gross Earnings from Work.** This is usually the money received from working at jobs where a paycheck is received. For each income, check the box to show how often the income is received: weekly, bi-weekly, twice per month, or monthly.
  - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
  - **Are you Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
  - **Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

**Step 4: Signature and Contact Information** An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the “Don’t share” box in Step 4.

**Optional:** Please provide the information on ethnicity and race that is requested on the second page of the form. This information is not required and does not affect approval. The information helps to ensure we are meeting civil rights requirements and fully serving our community.

You must include the last four digits of the social security number of the adult household member who signs the application. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

At public school districts, each student's school meal status also is recorded on a statewide computer system used to report student data to MDE as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state's educational program.
