TIME: 11:00 A.M. – 12:00 P.M.

WHERE: 1st Grade Classroom

QUESTIONS: Call Maggie at 320-760-5248

DASH & DOT ROBOTICS CLUB

Learning how to program is as essential as learning how to read and write in today's world.

In this club, students will learn the basic of computer programming while having fun playing with two robots: Dash and Dot.

Students will use and program the robots to cross through mazes, play soccer, Twister, basketball, and much more!

When: August 1st – 5th
Time: 11:00 a.m. – 12:00 p.m.
Where: 1st Grade Classroom
Who: Students who have completed 1st – 3rd grade
Cost: $35 payable to C-A School

Questions: Call Maggie deNeui (320)760-5248
