Dear Parents/Guardians:

Studies show that students lose months of reading and math skills over summer vacation. It is very important for students to keep reading and doing math in the summer so that they don't lose anything they have learned over the school year. For parents, it can be very hard to get your child to do work when it is summer.

At C-A, we are going to help reduce that loss in the summer months. Students will have the opportunity to participate in both a Math and Reading Club. This will not only help students but parents as well. Parents won't have the chore of trying to get their child to read and do math activities in the summer, as it will all be done at school.

Math & Reading Club will be a time for your child to refresh their math and readings skills and to help prepare them for the school year ahead.

Please fill out the registration and return to school by May 31st. If you have any questions, contact Mrs. deNeui: mdeneui@chokioalberta.k12.mn.us or Tif Pew: tpew@chokioalberta.k12.mn.us or call 324-7131.

Cost: \$10

Checks can be made payable to Chokio-Alberta Schools and payment is due with the registration.

Reading/ Math Club for students who have completed Grades 1-3

Where: 1st grade classroom

When: August 1st - 5th from 10:00 a.m. – 11:00 p.m.
