

# welcome

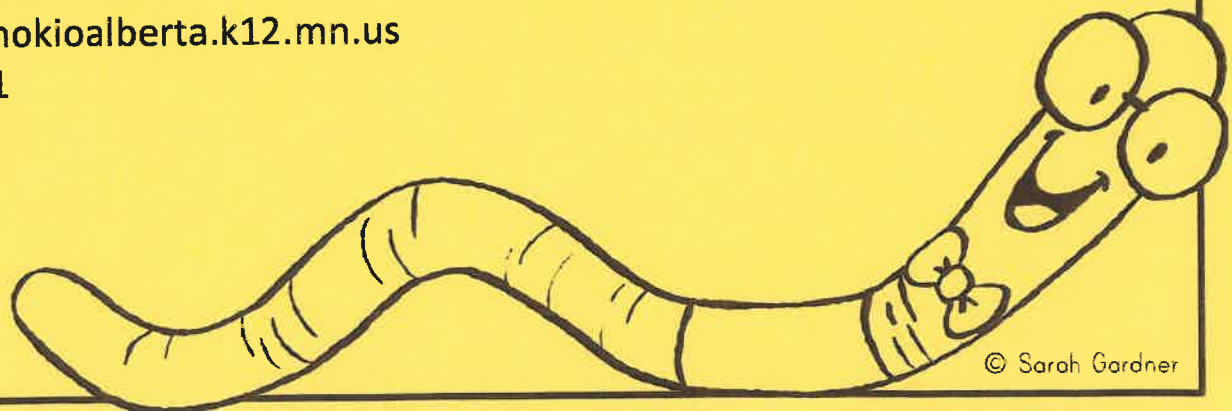

My name is Brooke Johnson, and I will be teaching your child in preschool this year. This is my fifth year as a classroom teacher, and I am so excited to spend the year with your special little person! I taught 3<sup>rd</sup> grade at Chokio-Alberta last year, but from 2018-2021 I taught preschool at CGB. I am excited to be back in preschool and still part of the Chokio-Alberta school!

A little more about me – In 2019, I married my husband, Brian. He works in town at SJK. In 2021, we had our first child a son named Milo. We also have a dog named Winnie she is a golden lab and is 2 years old. We have lived in the country north of Chokio for 3 years now, but I am originally from Clinton. I graduated from CGB in 2013 and from Northern State University in 2017. I majored in Elementary Education with Minors in Early Childhood and Reading.

This is going to be a wonderful year for your child. You are going to see growth in both their academic abilities and social skills. Our room will be a place where all students will feel respected, safe, and confident in their abilities.

I believe the connection between home and school is essential and your support is a large part of your child's success in school and beyond. I can't wait to get to know your family throughout the school year! Feel free to contact me at any time with questions, comments, or concerns.
