Reminders

- If you are interested in using the school guest network for your phone, please stop by the office and get a BYOD form to fill out. The password is now changed and you will not be able to get on unless you turn in the form to Mrs. DeRung. When filling out the form, the MAC address is also known as the Wifi address. It can usually be found in the settings about or general or status section of your phone depending on what kind of phone you have. If you cannot find it, Mrs. DeRung will be glad to help.
- Student forms for 22-23 were emailed to families. They are also located on the bulletin board outside the office. Please complete them and return them to the school office. We need these each year. Thank you!!
- **Reminder to C-A parents and students:** The 'k12paymentcenter.com' is back up and running for now, until we install the new program. Please feel free to use that site to deposit money into your student(s) accounts. We will not be allowing extra meals or ala carte items this year when there is a negative balance.
- Please refer to the school website – 'chokioalberta.k12.mn.us' or the Morris website 'morris.k12.mn.us' for the most **'up to date' athletic schedules.**
