Chokio/Alberta School is located in West-Central MN very close to Morris, MN. It is a very established school district with a healthy fund balance and a good strong tradition of academics and community pride. C-A schools are cooped with Morris Area Schools in most extra curricular activities which gives all our students the opportunities of a good sized school district with a small student to teacher ratio at C-A. Classes are small, but we pride ourselves in being able to offer all that a big school has and more. Chokio/Alberta School District is truly a special place to work!
