Registration & Scheduling:

There is a one-time non-refundable school year registration fee collected upon enrollment at the cost of \$10 per student or \$20 per family; cash or check accepted in the office. All students attending must register, including drop-in students. Scheduling your child's days for Spartan Sparks is recommended, and the most cost efficient option. You are able to select desired days (available 1-5 days per week). You will be charged for the days that your child is scheduled to attend and will be required to pre-pay for your days one month in advance. A monthly calendar must be submitted and payment received before your child may attend. If your child does not pre-schedule a month in advance, they will be charged the daily drop-in rate. Drop-in is contingent on same day pre-payment and adequate staffing; drop-in must be pre-approved in the office.
