Dear C-A Families:

As we move through the month of November, I want to take a moment to share a few highlights and important updates from our school. It is hard to believe how quickly the school year is moving along! Our students and staff continue to work hard each day, and it is exciting to see the many accomplishments and opportunities happening throughout our school.

First, congratulations to all of our students who earned Quarter 1 Honor Roll recognition! This is a wonderful accomplishment and a reflection of the dedication, effort, and commitment our students demonstrate in the classroom. We are proud of their hard work and appreciate the support of parents and families who encourage academic success at home. Keep up the great work!

We also want to take a moment to recognize the tremendous success of our Veterans Day Program. It was truly a special event, and we are grateful to everyone who helped make it possible. Our students did an outstanding job honoring the men and women who have served our country. A special thank-you goes out to the veterans who joined us, the families and community members who attended, and the staff and students who worked hard to put together such a meaningful program. It is important that we continue to recognize and appreciate the sacrifices made by those who have served and continue to serve our country.

As we approach the Thanksgiving break, I encourage everyone to take some time to slow down, enjoy time with family and friends, and reflect on the many things we have to be thankful for. We have so much to appreciate in our school community, including our dedicated staff, supportive families, wonderful students, and the community members who continually support our school. I hope everyone enjoys a safe, relaxing, and enjoyable Thanksgiving break. We look forward to welcoming students back refreshed and ready to learn!

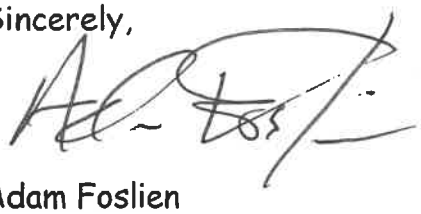

With winter approaching, our winter sports seasons have officially begun! It is exciting to see our student-athletes back in action and representing our school. We encourage parents, families, and community members to come out and support our teams throughout the season. Participation in athletics provides students with valuable opportunities to develop teamwork, sportsmanship, responsibility, and perseverance. Best of luck to all of our winter athletes and coaches!

As we head into the winter months, I want to remind everyone that consistent attendance, positive attitudes, and continued effort in the classroom remain important. The weeks leading up to winter break can be busy, but maintaining routines and staying focused will help our students finish the semester strong.

Thank you for your continued support of our school. It takes a strong partnership between home, school, and community to provide the best possible educational experience for our students. I am thankful for the opportunity to work with such wonderful students, families, and staff.

Wishing you and your families a wonderful Thanksgiving!

Sincerely,

Adam Foslien
